School fight simulator 2 mod apk android 1

This game is Sandbox action game. (TPS) This School Fight Simulator.We have fully updated the system successor and has now become able to play a wide range of paths. This game will demand slightly higher terminal features. (as of December 2018) For terminals with low specifications, the operation is likely to be heavy. Please be careful. No story, especially in this game. You can enjoy the fight and the hunt as you like. If you have confidence in your arms, you can ride next door (hostility school) yourself. If you're not confident, look for classmates to collaborate and let's be together! (In order for your classmates to collaborate, you need to obtain RespectPt.RespectPt by defeating enemies.) The world of this game is wide. And in the wider world there are various monsters such as zombies, goblins, dragons, as well as humans. You can also enjoy monster hunting with your classmates.* Cars and helicopters can be used to move. - Many types of weapons - Classmates who will fight together - Character customization (School uniforms, swimsuits, etc.) - many types of enemies (enemy school students, zombies, goblins, oaks, dragons, etc.) and more this game is going to improve by adopting everyone's feedback. We're waiting for the request. Please enjoy this game!
